The Fund intends to invest in performing real estate assets and development projects by holding a membership interest in a series single purpose operating entity formed by the Sponsor and its development partners, for the purpose of operating each property or project. The specific terms and conditions are described in the Materials and forthcoming Memorandum (defined below). By your acceptance of the Materials, you agree that you or your agents, representatives, or employees (a) will not copy, reproduce, or distribute this document to others, in whole or in part, at any time without the prior written consent of the Sponsor, (b) will keep permanently confidential all information contained in the Materials, and (c) will use the Materials for the sole purpose of evaluating your investment in the Fund. If you are not prepared to accept the document on this basis, please return it immediately to the Sponsor and delete information related to the Fund from your system. The use for the Materials other than that set forth above is prohibited. Neither the Sponsor nor any of its respective affiliates, principals, or representatives makes any representation or warranty, express or implied, as to the accuracy or completeness of any of the information contained in the Materials or any other information (whether communicated in written or oral form) transmitted or made available to interested parties and each of such persons expressly disclaims any and all liability relating to or resulting from the use of the Materials or such other information by you as a prospective investor. Only those specific representations and warranties, if any, in a definitive written Memorandum will have any legal effect. Any financial projections appearing in the Materials represent the subjective views of the Sponsor, as applicable, and Sponsor's current estimates of future performance based on assumptions which Sponsor believes are reasonable, but that may not be correct. There can be no assurance that the Sponsor's assessments are correct or that its projections will be realized. The Materials is not an offer or invitation to sell or solicit of an offer to purchase any securities. Any such offer will only be made in compliance with applicable state and federal securities laws pursuant to a private placement memorandum (the "Memorandum") and related offering documents. No investment offering in the Fund will be registered under the Securities Act of 1933. Neither the Sponsor, or any single purpose entity formed by the Sponsor, will be registered as investment companies under the Investment Company Act of 1940, nor are the Sponsor or any of their affiliates registered as an investment adviser. The Sponsor does not provide investment advice for compensation and does not offer to provide investment advice to any investor in the Fund.
