Pet Tip: Keep Them Cool This Summer

Your dog would like to remind you that every room is their room now. Thank you for your understanding. 🐾

Florida heat can be tough on our four-legged friends, especially as temperatures rise.

A few simple ways to keep pets safe and comfortable:

- Walk early in the morning or later in the evening
- Test pavement with your hand — if it's too hot for you, it's too hot for paws
- Always provide fresh, cool water
- Make sure outdoor pets have plenty of shade
- Let them cool off with a sprinkler or gentle hose play

Because Florida summers are no joke — even for our toughest pups.

Something Sweet for Mother's Day

Strawberry Shortcake Cups (No Fuss Version)

What you'll need:

- Store-bought pound cake or shortcake cups
- Fresh strawberries
- Whipped cream
- A little sugar

How to make it:

1. Slice strawberries and sprinkle with a little sugar (let sit 10–15 minutes to get juicy)
2. Cut the cake into bite-sized pieces
3. Layer cake, strawberries, and whipped cream in a cup or bowl
4. Repeat layers and serve

That's it — simple, quick, and always a hit.

Make it your own:

Add blueberries, drizzle with chocolate, or serve in a nice glass for a more “special occasion” feel.

Happy Mother's Day to all the moms, caregivers, and those who fill that role in so many ways. 🌸

At Home Tip

Change your AC filter this month — it helps keep your home cooler and your energy bill lower. If you're not sure how to change it, let us know! Contact pete@ocalapropertiesllc.com
