

Community Bike Works teaches life lessons through bicycles to the young people of the Lehigh Valley who could benefit most. Our signature fundraising event, formerly the Cycle Challenge, has engaged thousands of local and national supporters over the past seven years. Our reimagined 2024 Mileage Challenge will be bigger and better than ever, with more options to link the miles ridden by participants to the impact the event has on the kids of Bike Works.

You can support a team or a rider online, at CommunityBikeWorks.org/challenge, or by returning this form by mail or in person! To count towards a team or rider for the tabulation of rankings, donations must be received by 5 pm on October 2nd, but gifts received after that date will still be credited to your team or rider. Don't have a favorite team? You can donate directly to the Challenge with a general donation or support our Student Team.

Thank you for your support!
