

# YOUTH BIKE SUMMIT

**2024**  
June 14-16  
Lehigh Valley, PA

Dear Parent/Guardian,

We are pleased to invite your child to attend the 2024 National Youth Bike Summit (YBS) on **June 14, 15, and 16**, hosted by Community Bike in the Lehigh Valley, PA. Attending the YBS is an opportunity for youth (and accompanying adults) to connect and learn with others from across the United States. Activities include large group sessions, a variety of workshops, and guided bike rides.

Here is a brief summary of YBS events:

**FRIDAY:** *Afternoon arrival at Muhlenberg College, bike ride, and event at the Velodrome.*

**SATURDAY:** *Morning large group session. Workshops and small group rides throughout the day. Evening social and team building events organized by Community Bike Works youth leaders.*

**SUNDAY:** *Group bike ride from Allentown to Bethlehem and final large group session at the Steel Stacks. Return to Muhlenberg College.*

Some organizations will be staying in the dorms on Muhlenberg College’s campus, which will provide additional opportunities for connection and a pre-college experience.

We look forward to your child’s participation!
