

#AllAboutMe

A graphic of a smartphone with a text message conversation template. The screen shows a grey message bubble at the top, followed by a large white message bubble with horizontal lines for text, and a grey message bubble at the bottom.

#AllAboutMe

A vertical smartphone outline containing ten speech bubble shapes for writing. The bubbles are arranged in a vertical column, alternating between pointing right and left. The top bubble points right, the second points left, the third points right, the fourth points left, the fifth points right, the sixth points left, the seventh points right, the eighth points left, the ninth points right, and the tenth points left. The bubbles are light gray with black outlines and are set against a white background within the phone's frame.
