Reminder Notes

- Please mark edges that need to be finished with a *.
- Standard edges include: Waterfall, Bullnose, Eased, Heavy Eased and Bevel. There will be a charge for upgraded Chiseled, Ogee, and Euro edge.
- Standard granite is 3 cm thick, or 1 3/16 inch.
- Please factor in any overhangs that you would like when measuring. Standard overhang is 1 ¼ inch from the cabinet face.
- Include measurements to the sink center, if applicable. If possible, pull your tape from a wall side to the center of the sink, make sure to note what side you are measuring from. If the sink run is open on both ends, include the overhang that you would like to the overall measurement to the sink center.
- Note any walls you would like to have a Backsplash with a perforated line ----. Include the height you would like your backsplashes (standard is 4 inches from the countertop). Take into consideration any electrical outlets, light switches, mirrors, or anything that would interfere with the backsplash when measuring for height.
- MMG is not responsible for errors in measurement. When the cut sheet is received, signed, we will proceed with the job based on the supplied measurements. Any alterations or go-backs will be subject to an additional charge, the cost will depend on the time and material used.
- Please try to be as concise as possible when measuring and include any pertinent information about your project.
- Please review the layout. If any changes need to be made, please make them. We will cut exactly to the measurement provided. (Please do NOT forget to add overhang to your measurements.)

Please mail, email or fax back to Martellaro Marble and Granite.

Thanks!
