

## Peace

A thing so highly sought after, yet rarely achieved.  
Why is that so?  
Think about it.  
When two countries disagree, what do they do?  
Each prepare their militaries, their weapons, their bombs  
For the violence to come,  
Also known as war.

Isn't it funny?  
We seek peace through war.  
Supplies wasted, land destroyed, innocent lives lost and grieved.  
All for what?  
For peace!  
How ironic and sad.

However, there is a solution:  
Expand students' knowledge of history and facts  
Along with teaching kindness and honesty.

We must train the young minds of today  
To become the leaders of tomorrow.  
The right leaders with the right attributes  
Will unite the many nations of Earth  
And replace war with diplomacy,  
And finally obtain peace for this world.
