VION DÉCOR Window Films

The VION Décor range of window films can be used to provide privacy and stylish design to internal glass. With pre-cut designs on a roll, decorating your windows and partitions has never been as easy.

The Décor collection includes gradation, lines, geometric or abstract patterns as well as blackout, opalescent, gloss and matt transparent colours.

Architextural, part of William Smith Group 1832 are stockists and trade suppliers of all architectural and building related films. Transform decor both inside and out, or solve glazing issues with solar and security window films.

With the largest stock of architectural films in the UK, you have access to hundreds of alternative self-adhesive surface options for your design projects.

Our fully trained and high quality installation network can wrap existing fixtures, fittings, furniture within bars, hotels, restaurants, retail or any commercial environment.
