

WELCOME TO ALL MAMMOTH CREEK OWNERS

IT IS THAT TIME OF THE YEAR AGAIN TO
OPEN YOUR CABINS, BREATHE FRESH AIR AND
ATTEND THE ANNUAL MAMMOTH CREEK
HOMEOWNERS ASSOCIATION MEETING

SATURDAY MAY 24, 2025
STARTS 10:00 AM (mountain time) AT THE
FIRE STATION-COMMUNITY CENTER

In addition to other items, the agenda will include a discussion of possible community improvement needs so come with your community improvement suggestions. In addition we are expecting a special guest but that has yet to be confirmed.

This meeting is a good opportunity to meet and greet our new neighbors. There has been a noticeable number (and still is) of cabin and property sales this past year.

When the meeting adjourns, the third "Opening Weekend Community Pot Luck" will be awaiting us. Yummy hamburgers and hot dogs will be served. Your contribution of a side dish or dessert is much appreciated. Please don't forget to bring your own beverage. A HUUUUGE THANK YOU to Paul and Alisha Martino who puts on this Pot Luck.
