Help Us Help You

MCHOA Dues for CALENDAR YEAR 2025 are \$50.00. **Dues are voluntary** – you can choose to pay dues for each lot you own, for improved lots only, or not at all. You can make a donation. The association takes all dues and donations and uses the money each year to improve the Mammoth Creek area. Past projects include street signs, culverts, fire station and volunteer fire department support, dumpsters for large items and the newsletter publication and mailing. Thanks for supporting our community.

Your MCHOA leadership is making every effort to keep our community safe in many ways. We maintain a database with contact information in case of fire or any other problems in the area. Please check the information provided below and mark any changes or updates necessary. E-mail addresses would be greatly appreciated, especially if you prefer your newsletter and dues statement by email. Contact by e-mail or phone will be limited to MCHOA business or emergency response requests from the local emergency services. Please specify if you do not want your information shared with anyone other than MCHOA officers and emergency personnel. Lot owner information herein presented is derived from the Garfield County Assessor's Office and/or your prior input. **NOTE:** a space has been added for an email address for statement purposes.

Please review information presented below and add or correct as needed.
