I recommend that you call Hughes Waste Management and confirm the days and hours for the Spring and Winter times. Things do change sometimes.

After hours, there will be 3-5 large dumpsters outside the gate to the actual landfill. Each dumpster has a sign on it as to what type of items allowed in that particular dumpster.

Who can use this landfill? Anyone may use it. You don't have to be a Panguitch resident.

What does it cost to dump there? Depends upon what and how much you are dumping. The fee range is from \$10.00 to \$60.00. I suggest you confirm the rates.

Items not allowed in this landfill: household garbage, any toxic and hazardous waste, (call before you go to check on things such as electronics, paint etc.). Anything else may be dumped at this landfill.

The landfill is a short distance from the center of town on off HWY89 going south. Just before the sweeping turn to the right on Hwy 89 there is a series of very old and small cabin buildings on the left side. Turn left (North) there on to Roller Mill Hill Dr. Follow that paved road (about 1 & 1/2 miles) until it turns into a dirt road. Stay on the dirt road for about 1/2 mile. When you reach the gate, you have arrived at your destination. You won't miss the dump. Difficult to cover up a dump like this one. See a picture of two of us at the gate area.
