WELCOME TO UNITAILZ

At Unitailz, we believe that every pet deserves to look and feel their best.

OUR MISSION is to provide exceptional pet care products & services including grooming products & services that go beyond mere aesthetics. We are dedicated to promoting the overall well-being and happiness of pets by delivering quality products & personalized care; fostering trust and comfort and thereby building lasting relationships with both pets and their owners.

OUR VISION at Unitailz is to become the premier destination for pet care & grooming products and services, known for our unwavering commitment to pet well-being, exceptional customer service and unparalleled expertise.

ABOUT US

PET-CENTERED CARE

We believe in putting pets first. Our products & services aim to be gentle, caring and tailored to meet the individual needs and preferences of each pet, ensuring a stress-free and enjoyable grooming experience.

QUALITY AND EXCELLENCE

We are committed to upholding the highest standards of quality and excellence in everything we do. From using premium products to investing in ongoing training and education for our staff, we strive to deliver superior results that exceed the expectations of our customers.

COMPASSION AND EMPATHY

We approach every interaction with empathy, understanding, and compassion. We recognize that each pet is unique and may have different anxieties or sensitivities, and we work tirelessly to create a safe and nurturing environment where pets feel valued, respected, and loved.

TRANSPARENCY AND INTEGRITY

We believe in building trust through transparency and integrity. Our team members are honest, ethical, and accountable, and we always communicate openly and honestly with our customers, ensuring they are informed and empowered to make the best decisions for their pets.

CONTINUOUS IMPROVEMENT

We are committed to continuous learning, growth, and innovation. We actively seek feedback from our customers and incorporate it into our practices to continuously improve and evolve, staying ahead of the curve and setting new standards of excellence in the pet care & grooming industry.
