Missioning Forward: Strengthening Churches, Serving Communities and Sharing Christ Together!

Busy Times!

“Teach us to number our days, that we may gain a heart of wisdom.”
 Psalm 90:12

Graduations and the end of school quickly lead into VBS, summer missions, youth camps, family vacations, and a calendar full of activities. It is a busy season!

But in the middle of all the going, doing, planning, and traveling, it can be easy to neglect our daily walk with Christ. If we want to truly enjoy and survive the summer, we cannot take a vacation from our relationship with **Him** or from our fellowship with **His Church**.

This is a precious time for making memories with family, friends, and church family. Let's make sure our activities do not crowd out the One who gives meaning to every day.

Someone once said, “He who is too busy doing good finds no time to be good.” May the Lord help us number our days, guard our hearts, and walk wisely through this busy and blessed season. Brother Tim

Walk with the Cross in Fadette and in Geneva
