### "Mission Is Our Mission

*"And you will do even greater works than these..."* — John 14:12

This month our hearts and prayers turn toward the **Annie Armstrong Easter Offering** and the work of North American missions. It's a good reminder that while our churches in Geneva County may be small in number, we are **strong in partnership**—and through those partnerships, God truly is allowing us to do *greater works*.

Together, as disciples of Jesus Christ, **29 churches** are linking arms to take the gospel across our county and far beyond it.

One beautiful example is the launch of **A Seat at the Table Ministry**—a ministry centered on faith, fellowship, and community connection. Last month, **10 churches** came together to serve the Slocomb area. Next month, the ministry moves to **Hartford**. Over the coming year, we will carry this ministry into **every town in Geneva County**—Geneva, Samson, Coffee Springs, Black... get ready. The table is being set.

We're also seeing God at work through our **Spanish Ministry Church Planting effort**. Our church planter team is already on the ground, serving faithfully. What began as a Bible study is growing into multiple studies—and, prayerfully, into a new church. This truly is a *world mission in our own backyard*.

In partnership with **Samford University**, we recently completed our first class through the **Ministry Training Institute**. More than **10 students from 7 churches** studied the New Testament at a college level. Leadership is being developed, and the Word of God is being handled faithfully. We'd love for you to join us next semester. And that's just the local work.

This month, a team from our association will travel to **Birmingham** for a mission weekend—serving local churches, bivocational pastors, low-income schools, and community organizations. Please pray for this team as they go in the name of Christ.

Nationally, when you support the Annie Armstrong Easter Offering, your church partners to: Support **3,300 missionaries**; Equip **26,000 seminary students**; Endorse **3,500 chaplains**;

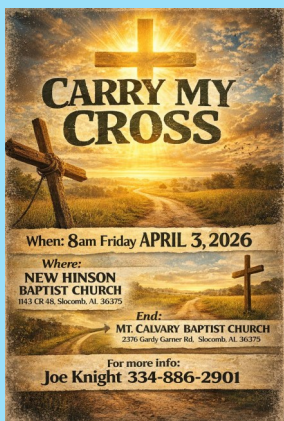

Provide disaster relief to **200,000+ people**; Help **plant or renew over 700 churches** All of that... from your church in **Geneva County**.

Mission really *is* our mission. And by God's grace—together—we are seeing His promise fulfilled: **greater works, for His glory**.
