However, if for any reason we or our vet feels the puppy needs to be with mom any longer or is too small to travel, we have the right to keep the puppy until we or our vet gives his expert opinion that the puppy can be placed in his/her new home. All of our puppies go in for examination by our vet before they leave my home to be sure the puppy is healthy. This is in the best interest of you the buyer and your puppy. These expenses are paid by me.
