Letter from the 2023-2024 District Director

District 54 Toastmasters,

It has been an honor and a privilege to serve the members of District 54 Toastmasters as the District Director in 2023-2024. It was a challenging year.

Last year was the best year we've had in almost a decade. Due to the excellent work of all the members in the District, we *almost* became a Distinguished District. If all those who paid late had paid on time, we would have qualified as a Distinguished District. Although it didn't happen, it wasn't because you didn't try. What matters is the District is better off now than it was at the beginning of the year.

For the second year in a row our District was recognized by Toastmasters International as one of the top three Districts in the world for having the high member retention. I thank each one of you for your hard work in getting members to renew.

I have no doubt the District Leadership Team this year will continue to make headway in rebuilding our District and leave it better off than it was when they started. Maybe next year will be the third year in a row we can be recognized as one of the top three Districts in the world for high membership retention.

Congratulations to all the Toastmasters and clubs in the 2023-2024 Hall of Fame booklet for their contributions to the District and for their individual achievements.

Sincerely,

Dan Kyburz, DTM
