

DIGITAL BANNER PARADE

Submission Deadline Extended to April 18

What is the Digital Banner Parade?

Great Question!

District 54 celebrates our clubs with a parade of club banners at each District Conference. As clubs cannot bring banners to the conference this year, we will hold a Digital Banner Parade. Clubs can participate by creatively preparing an image of themselves and include their banner in the image. The banners will be introduced in the opening ceremonies of the conference. Note two examples below. Note the 3 easy steps to participate! ==>>

STEP 1:

- Take a photo with your club members and banner
- Zoom photo will work and add your club name if your banner is not present

STEP 2:

- Save your digital club banner as a jpeg or as a PowerPoint or google slide using the following naming convention:
 - Division - Area - club number - Town
 - Example. - A-02-01345083-Batavia

STEP 3:

- Submit your digital club banner to the District for compilation
- Submit your file to d542023conf@gmail.com
