

We are in the last stages of club officer training for this Toastmasters year.

How many of your clubs need a bear to help them navigate their last six months as serving as a club officer? How many of your club members need a new 'view' of how to navigate Pathways, the Toastmasters education program, or to understand the October 22, 2025 Pathways enhancements?

All this and more will be discussed on the Zoom call. For veterans, it may be the refresher you need to jumpstart your project or Path completion.

We look forward to meeting YOU on the next Zoom call.
