

Meteorological Spring is already here, Daylight Saving Time is here and right around the corner is St Patrick's Day! Have YOU decided how you will spring into action regarding tracking your meeting roles and educational programs on your transcript?

Find out how to ADD an item to your Level Checklist to note what optional meeting role or educational program you completed. This is an enormous help when you share your checklist with your Base Camp Manager.

How many of your club members need a new way to navigate Pathways, the Toastmasters education program, or to understand the October 22, 2025 Pathways enhancements?

All this and more will be discussed on the Zoom call. As always, the first thirty minutes will be reserved for help navigating to Base Camp and to working through a Path's transcript. If there are no 'first timer' questions or concerns, we will jump into your questions, neat tricks, and more. For veterans, it may be the refresher you need to jumpstart your project or Path completion.

We look forward to meeting YOU on the next Zoom call.
