

As I contemplate the snow on my driveway I dream of the call of the Florida Gulf coast beaches calling out to me. Picture from “The beach is my happy place”.

A recent Word of the Day that hit my Inbox was PORTAGE. This invoked memories of canoeing as a Girl Scout and having to portage around a low bridge or other obstacle. With the recent Pathways enhancements, we too will have to navigate our way about how to track member fulfillments of both meeting roles and Education Series presentations.

Come learn how your Path transcript has changed. Base Camp Managers are welcome to share tracking techniques of the enhancements since they will NOT be updated in base camp. We all know there are many ways to peel an apple, so to with tracking.

Come join us to learn onboarding tools and techniques as well as getting your questions answered. For veterans, it may be the refresher you need to jumpstart your project or Path completion.

We look forward to meeting YOU on the next Zoom call.
