

**DON'T LET APRIL
SHOWERS RAIN ON
YOUR PATHWAYS
JOURNEY!**

IF you are excited to delve into Pathways to hone your presentation, communication, and leadership skills come join us! If you are stuck on a particular portion of navigating Pathways, this is the call for YOU!

Come explore the 'how to' login to the new Toastmasters International home page and navigate to Pathways to begin or expand your Toastmasters educational experience PLUS how to onboard new members, getting started in Pathways with the assessment and choosing a Path, and, of course, navigation through Pathways.

We will cover logging onto the Toastmasters International website and, from there, to engage Pathways. There will also be a Q & A portion for those burning concerns you may have.
