Letter from the 2021-2022 District Director

My Dear Fellow District 54 Toastmasters,

It has been my honor to serve members of District 54 Toastmasters as the District Director in 2021-2022, another challenging year in Toastmasters history. We have stayed the course, learned lessons on how to persevere with virtual meetings, and how to engage guests to become members.

Thank you so much for staying active in Toastmasters during these unprecedented times and for continuing to work on your own personal and professional development while helping your fellow Toastmasters to become more effective communicators and leaders. Even though the District, and most of the clubs, did not achieve all the goals set in the beginning of the year, we can all be proud of our resiliency and for overcoming obstacles to achieve goals.

The mission of the District is to build new clubs and support all clubs in achieving excellence. I want to take this opportunity to thank everyone for working so hard to advance the District mission while following the core values of Toastmasters International: Integrity, Respect, Service, and Excellence.

You each have cause to celebrate as your efforts in both communication and leadership have given so much to District 54. Let's continue the excellent accomplishments this Toastmasters year!

Hearty congratulations to all the Toastmasters and clubs in the 2021-2022 Hall of Fame booklet for their contributions to the District and for their individual achievements.

Sincerely,

Maryann Reichelt, DTM
