2024-2025 DISTRICT GOALS

How will we become a distinguished district in 2024-2025?

D54 will work toward having all clubs reach distinguished status by strengthening club leadership, increasing member retention, adding new members, offering support for clubs who need to improve their online presence, promoting Pathways achievement through increased awareness, training, and recognition, and ensuring that member dues are paid on time.

We can do this if we work together!!!
