Club Extension Report

Christian Brothers Services has at least 20 members and have submitted the Application to Organize which has been processed by TI!!! They just don't have their club officers assigned yet.

ALDI Inc has reached at least 20 members and have completed the paperwork. They are just working with their legal department to determine who has the authority to sign the Charter paperwork. We are so close!!

Savant Wealth has 20 members and is working on their paperwork. There's a meeting scheduled for next Wednesday to assist with the forms.

Constellation Nuclear in Byron has not made progress on getting to 20 members. The next meeting is scheduled for 26Jun2025.

Club Retention Report – Tom Willison, DTM, PDG

Area Director Club Visits

Last I saw, 90% of the Area Director Club visits and reports were completed, which was 7% lower than the first round, but still above the required 75%. D54 strives to hit 100%.

As of 17June2025, D54 has 48 paid clubs, which happens to be the number we need to become Distinguished.

Our membership base is 1,575. We currently have 1617 member payments which is above the number required for Distinguished status. 299 of the payments are from new members!

In May I reported that Bolingbrook Area Chamber of Commerce was suspended. Ken Kocher worked with the leadership of that club and got them almost immediately back to active status. Thank you Ken!!!

Prison Club Monthly Report Input – Jon R. Greiner, DTM, PIP

We are still on indefinite hold for the Pekin FCI new club(s).

If you are interested and want to know more about the time commitment, what is involved in making a prison club operate, any of the roles, please contact Jon R. Greiner DTM, PIP at greinerjon@aol.com.
