Letter from the 2022-2023 District Director

It was a great honor to serve you as your District Director last year. As you may remember, we got off to a bit of a rocky start but as District 54 proves year after year, we rise to the challenge and we strive for the best.

This was a year we all got M.A.D. We all strove to Make A Difference. Were we successful? I believe we were. I want to thank all of you for staying the course last year. Everyone worked hard to grow and improve not just their communication and leadership skills but to help those around them. Many people stepped up to fill multiple positions not just within clubs but at the area, division and district level. It is a testament to your dedication, your perseverance and your determination to not just grow your own skills but to help those around you grow their skills as well.

The District Mission is to build new clubs and support all clubs in achieving excellence. Unfortunately, we were unable to build any new clubs during this Toastmasters Year, however; many of our clubs did achieve excellence. Witness the fact the number of Distinguished Clubs increased by 128.57% this year!

Each member of District 54 has cause to celebrate the efforts made in both communication and leadership. You have all given so much to District 54. I am proud of your accomplishments and I hope you are as well.

Congratulations to each and every one of you. Be proud but continue to work to improve your skills. You are awesome. It was a privilege to lead you for a brief time.

Take care. Learn lots and make sure to share your knowledge.

Bonnie Tippey, DTM
