Last month was the month of Success Plans and initial club visits.

Now, it is October, the season of Official Club Visits and Club Visit Reports.

- **Rosemary Nash** (Area 30 Director) has 100% completed her Club Visit Reports. ADM Corporate is an especially vibrant club with 30 members. The ADM clubs are looking for ways to show their management that Toastmasters is a rewarding benefit to continue providing.
- **Jerry Burger** (Area 31 Director) has scheduled all his visits and is collecting the Club Success Plans. He is on target for submitting his club visit reports by the due date.
- **Kristina Warren** (Area 32 Director) has completed 75% of her Club Visit Reports. She will be visiting her last club next week and will be able to complete all her Club Visit Reports ahead of the deadline.

Important due dates have been added to the D54 website calendar. Thanks to Gary! This will be a one stop shop for finding due dates such as when are Club Visit Reports due. What is the window for Area Speech Contests? If you have a suggestion to add to the calendar, let Gary know!

Respectfully yours,
