Letter from the 2019-2020 District Director

My Dear Fellow Toastmasters,

Thank you very much for being the outstanding leaders you are during a time that no one expected. Leadership does not come from the easy times but rather the hard times. We had some tough times in 2019-2020 but we made it through.

Even though we were not a distinguished district officially, I do believe that all of your achievements during the Toastmasters year led the district to become a success. All of you clearly epitomize the spirit of teamwork.

"Our Vision" for the district this past year was—We support all clubs in achieving members goals and strive to form new clubs to spread the Toastmasters mission.

Have you grown in your communication and leadership skills? Then it was a successful year for your personal goals and aspirations which is all anyone can ask for.

You each have much to celebrate since you accomplished so much! We as a district have much to celebrate thanks to all of your great efforts!

It was a wonderful joy to serve as your district director. I am so proud of each one of you and so thankful for each of you who are part of the district. Strive to accomplish what your goals!

Sincerely,

Christopher Boyk, DTM
 Immediate Past District Director 2020-2021
