

## Toastmasters District 54 Division A January 2026 Report

As of January 2026, the Division A reports a month of steady educational progress and membership recruitment. Highlights include Area 13's 23 new members year to date with a net gain of 5 and Area 10 has seen a strong increase in Distinguished Club Program (DCP) goal attainment. While overall educational levels continue to rise across all Areas, the primary focus for the upcoming months remains with increasing Officer Training completion, promoting clubs for membership and finalizing contest dates and locations for the Area Contests.
