

## **Neuro-Aesthetic Procedures & Pricing**

**WHERE NEUROLOGICAL PRECISION MEETS Refined BEAUTY**

All neuro-aesthetic procedures in our office are performed **exclusively by a physician subspecialist**, ensuring the highest level of expertise, safety, and natural results.

An **initial consultation** may be required depending on the complexity of the treatment. This visit allows us to evaluate your anatomy, goals, and medical history to ensure the procedure is appropriate and delivers optimal, personalized results. If your procedure is performed on the **same day**, the **consultation fee will be credited** toward the cost of treatment.

**Consultation Fee: \$50**

### **Neuro-Aesthetic Services**

#### **Cosmetic Botulinum Toxin (Botox®)**

**\$14 per unit**

Designed to soften expression lines, refine facial contours, and create a refreshed, balanced appearance—never frozen, always natural.
