

2021 REBUILD CONFERENCE

Formally known as High Performance Buildings Seminar

CO-HOSTS:

IN PARTNERSHIP WITH:

SAVE THE DATE: THURSDAY, OCTOBER 7, 2021

Join emersion DESIGN & PEDCO as we hear from industry leaders discussing Resiliency in the Built Environment and address what really works when tackling major improvements in energy efficiency and operating practices in buildings. The seminar focuses on the challenges faced from the views of both the design community and include keynote speakers from world class firms, real world case studies, and informative panel discussions.

6 AIA/GBCI/PDH Credits.
