SPONSORSHIP OPPORTUNITIES

Complement your business' marketing program by increasing your visibility as an official REBUILD Conference Sponsor. Numerous opportunities are available at different levels, including the opportunity to sponsor breakfast, lunch, or a booth. You will engage with a high-level audience and gain recognition from our region's sustainability community.

For more information CLICK HERE **or contact Kelly Blake at kelly@lumenstrategy.com.**

Practical Innovation. Real Impact.

The 2026 REBUILD Conference will examine how workflows, AI, and advanced building systems can be integrated intentionally to support resilient and regenerative outcomes. Rather than focusing on innovation for innovation's sake, REBUILD emphasizes practical application and people-focused results, highlighting solutions that impact the real world and elevate everyday life.

6 AIA LU/HSW & PDU Credit Hours; GBCI Credits Pending
