To whom it may concern:

The Southwest Broward Junior Athletic Association d/b/a East Miramar Dolphins is a nonprofit optimistic organization that provides an arena for children to participate in sports activities. Our program focuses on influencing young boys and girls to work hard and stay committed to their goals consistently. By staying committed and working hard, our children can become leaders on the field and in education, build character, and shape attitudes for a lifetime. Participating in our program contributes to our youth by giving them a platform to exert excessive energy into positive alternatives.

Beginning January 8th, 2019, we intend to host a full year of fun filled activities for flag football, tackle football and cheer for our program participants and provide equipment for children who are less fortunate.

The Southwest Broward Junior Athletic Association d/b/a East Miramar Dolphins can only achieve its goals with the assistance of generous donations from organizations such as yourself. Without these donations, providing equipment for unfortunate children to participate in the program and hosting the season will not be possible.

Since our organization relies on individuals/businesses like you, we would like to ask you to consider a donation to our cause. We hope that you will assist us in carrying out our mission. If you have any additional questions or concerns, you may reach the treasurer of our organization Mrs. Mobley at 786-395-0212.

Thank you in advance for your generosity.

Sincerely,
The East Miramar Dolphins Family
