Bill Gates: The next outbreak? We're not ready

ENGLISH HOMEWORK - 001

In 2014, the world avoided a horrific global outbreak of Ebola, thanks to thousands of selfless health workers - plus, frankly, thanks to some very good luck...

- 1 Watch the video, take notes of the points you consider relevant
- 2 Identify all possible solutions he shares
- 3 Write an essay giving your point of view and send by e-mail to: oberdan@oberdantsantos.com.br
