**Field, Farm and Forest**  
**AGREEMENTS & UNDERSTANDINGS**

*Please initial the following*

\_\_\_ I understand my child will be taking walking trips, sometimes up to 1 mile long.

\_\_\_ I understand that Field Farm and Forest requires all children are independent in toileting.

\_\_\_ I understand my child will be outside for long periods throughout the day and should be dressed appropriately for any weather.

\_\_\_ I understand that when the children are outside, there are no fences. This means that if a child is a runner, FFF needs to know this ahead of time. FFF does not have funding for one-on-one support. If an educator has to leave to follow a child, that leaves the other educators short-handed. If a child is being unsafe in the woods and refusing to work with FFF educators, they will have to ask the caregivers to come pick up the child.

\_\_\_ I have read and understood the Field Farm and Forest Family Handbook.

\_\_\_ I give my child \_\_\_\_\_ permission to participate in walking trips.

\_\_\_ I understand the inherent danger of bike riding and give my child \_\_\_\_\_ permission to ride bikes at FFF, while releasing FFF of any liability resulting in injury from bike riding.

\_\_\_ I give my child \_\_\_\_\_ permission to use hand tools including but not limited to hammers, screwdrivers, and whittling peelers. I understand that my child will be supervised at all times during use.

\_\_\_ I understand that my child \_\_\_\_\_'s participation in this program may increase their chance of exposure to diseases, including but not limited to Covid-19. Prevention measures will be implemented with CDC and state guidelines in mind.

\_\_\_ I understand that under state law, all children are required to have a current immunization record on file with the school, unless they have religious or medical exceptions. The immunization form or a signed exemption form **must** be on file **prior** to starting the program and will be kept in each child's confidential file. Please request that your physician send you records that you can bring to us.

**FIELD FARM AND FOREST  
MEDICAL EMERGENCY**

I hereby authorize and grant permission for Field, Farm and Forest and its employees to act on my behalf according to their best judgment in the event of a medical emergency or any and all injuries and illnesses sustained or experienced during my child's participation in activities, including but not limited to emergency first aid, emergency transport to a medical facility, and emergency treatment by medical personnel onsite or at a medical/hospital facility. I understand that in the event of an emergency or injury, Field, Farm and Forest will make reasonable attempts to contact me or my designated emergency contact.

By signing below, I further acknowledge that my child named below has health insurance and is covered by my personal medical insurance policy. I understand that I am responsible for any medical fees, including co-payments or other expenses not covered or denied by my health insurance policy.

The undersigned, the parent(s)/legal guardian(s) of Participant, has (have) reviewed the foregoing agreement and hereby consent(s) and agree(s) to the same.
