All families interested in our Kinglets program MUST visit our school, either at an Open House or an arranged visit, prior to sending in an application. We try our best to give each family their first enrollment option choice, but we cannot guarantee it. If we have space in our program and invite your child to join our "flock", there is a \$150 non-refundable registration fee to secure your child's enrollment for the school year. If we do not have space for your child, we will keep this application on file in case a space opens up.

Applications for new Kinglets will be prioritized by:

- 1. Siblings of current Kinglets*

Field, Farm and Forest
AGREEMENTS & UNDERSTANDINGS

Please initial the following

____ I understand my child will be taking walking trips, sometimes up to 1 mile long.

____ I understand that Field Farm and Forest requires all children are independent in toileting.

____ I understand my child will be outside for long periods throughout the day and should be dressed appropriately for any weather.

____ I understand that when the children are outside, there are no fences. This means that if a child is a runner, FFF needs to know this ahead of time. FFF does not have funding for one-on-one support. If an educator has to leave to follow a child, that leaves the other educators short-handed. If a child is being unsafe in the woods and refusing to work with FFF educators, they will have to ask the caregivers to come pick up the child.

____ I have read and understood the Field Farm and Forest Family Handbook.

____ I give my child _____ permission to participate in walking trips.

____ I understand the inherent danger of bike riding and give my child _____ permission to ride bikes at FFF, while releasing FFF of any liability resulting in injury from bike riding.

____ I give my child _____ permission to use hand tools including but not limited to hammers, screwdrivers, and whittling peelers. I understand that my child will be supervised at all times during use.

____ I understand that my child _____'s participation in this program may increase their chance of exposure to diseases, including but not limited to Covid-19. Prevention measures will be implemented with CDC and state guidelines in mind.

____ I understand that under state law, all children are required to have a current immunization record on file with the school, unless they have religious or medical exceptions. The immunization form or a signed exemption form **must** be on file **prior** to starting the program and will be kept in each child's confidential file. Please request that your physician send you records that you can bring to us.

**FIELD FARM AND FOREST

I understand that in the event of an emergency or injury, Field, Farm and Forest will make reasonable attempts to contact me or my designated emergency contact.

By signing below, I further acknowledge that my child named below has health insurance and is covered by my personal medical insurance policy. I understand that I am responsible for any medical fees, including co-payments or other expenses not covered or denied by my health insurance policy.
