Dear Applicant:

We determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(7). This letter could help resolve questions on your exempt status.

Donors cannot deduct contributions they make to you under IRC Section 170(c).

As an organization described in IRC Section 501(c)(7), you're permitted to receive up to 35 percent of your gross receipts, including investment income, from sources outside of your membership without losing your tax-exempt status. Of the 35 percent, not more than 15 percent of your gross receipts can come from general public use of your club facilities or services. Income greater than these limits may jeopardize your continued tax-exempt status.

If we indicated that you're required to file an annual information return, you must file one of the following:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice, e-Postcard for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ.

If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

What you should know

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Where to find more information

For important information about your responsibilities as a tax-exempt organization:
