Welcome to SEA Divers Scuba Dive Club

Founded in 2023, our dive club started with a simple idea — bring passionate divers together and create something bigger than just dive trips. What we've built is a true underwater community.

At SEA Divers Scuba, we explore the Gulf and Florida's crystal-clear springs, grow our skills, support one another, and protect the environments we love. Our club is about adventure, education, camaraderie, and showing up for each other — in and out of the water.

Whether you're here to log more dives, build confidence, meet dive buddies, or simply be part of something meaningful, you belong here.

We're proud of how far we've come — and even more excited about where we're headed.

Let's dive in.

## *Member Referral Rewards*

### **How It Works**

**SEA Divers Scuba dive club members can earn a FREE single boat dive by recruiting new members to join the club. To qualify, the recruited individual must be a brand-new member who has not previously been part of the dive club. They must submit a completed membership packet and pay their dues in full, and the recruiting member must be identified at the time of signup.**

### **Reward Details**

**After the new membership is completed and paid, the recruiting member will receive one boat dive credit for the SEA Divers Scuba dive boat. Since most boat charters are two-tank trips, recruiting two new members would cover a full charter, while additional referrals can be used toward future dives.**

### **Additional Information**

**These credits apply to SEA Divers Scuba boat dives only, have no cash value, and are non-transferable. All credits are subject to charter availability and standard reservation procedures. SEA Divers Scuba reserves the right to verify eligibility for all referral rewards.**
