Bee Healthy

Dental Bus onsite

The dental bus will be onsite
starting Wednesday 11th of May.
They will be here until Friday
20th May.

We're trying something different!

Listening to feedback from the community, we are trying to limit the amount of emails that get sent through HERO around things that are happening. Hopefully now all the information will be in this email, which will get sent out every 2 weeks. Notices like the brick show to the right, or what's coming up in the next week will be included in his newsletter.

Also, for a small koha which will go straight towards the Year 6 dinner at the end of the year, you can have an advertising space for your business. Please contact Kelly at the office if you would like to do this.

General notices

Book character dress up

We had a fabulous turn out of students dressing up in their favourite book characters at assembly today. We even got to do a little parade next to the kindy so that they could see all of the effort that went into these.

PTA pizza lunch

The PTA will be organising a pizza lunch for Thursday 12th May. Orders must be in by Tuesday 10th May - **No late orders will be accepted after the 10th May.** There are more forms at the office (or on HERO) if needed.

Tinkering station equipment

In Emerald Block this term we would love to set up a tinkering station. Tinkering involves taking things like machines apart, putting things together, and figuring out how things work. We are looking for donations of old, no-longer-needed (or wanted back) items such as old toasters, kettles, keyboards etc. Basically anything that can be dismantled and 'tinkered' with.
