

SCHOOL ENRICHMENT DAYS

TAKE LEARNING OUTSIDE THE CLASSROOM

At Go Wild, **OUR MISSION** is simple:
Get children outdoors and experiencing real
adventure.

Through exciting, activity-led sessions including
Archery, Adventure golf, Axe Throwing, Laser Tag
and Team Building Challenges, we create
unforgettable days that safely challenge young
people to step beyond
their comfort zones.

Our experiences are designed to build confidence,
resilience and teamwork, helping children develop
essential life skills while strengthening friendships
and creating lasting memories.

WHY GO WILD?

OUTDOOR LEARNING at Go Wild is where curiosity runs free and confidence takes root.

When children visit Go Wild something amazing happens. Their imaginations stretch further, their skillset grows and learning becomes an adventure.

Every moment outdoors strengthens growing bodies, supports mental wellbeing, and builds real, lasting self-belief, friendships and memories.

At Go Wild, children focus more deeply when they're engaged with the world around them. Our activities give them the opportunity to solve problems independently, be active and develop resilience in ways that four walls simply can't provide.

At Go Wild, learning is active. Learning is an adventure. Learning is **WILD**.
