**SCHOOL AND COLLEGE
EXPERIENCES**

TAKE **LEARNING** OUTSIDE OF THE CLASSROOM

At Wild Blades we are passionate about delivering the safest and most Axe-citing experience in the industry.

Whilst enjoying the fresh air, we aim to inspire and teach students the art of Axe Throwing alongside providing tools to aid the development of new skills, encourage team work and promote healthy competition amongst peers. All within a safe, professional environment.

A visit to Wild Blades will give students the opportunity to discover a unique activity and participate in 'The Ultimate School Trip'. They will leave us with a huge sense of achievement.

EDUCATION MEETS

ADVENTURE

WILDERNESS

All of our locations are outdoors, giving your students a break from the classroom to take a breath of fresh air and enjoy the natural surroundings of our venues.

INCLUSIVE

Everyone's welcome. An inner Viking lives in us all. We pride ourselves in making our activities inclusive so everybody can participate. From age 6 -9 we offer a safe, authentic plastic version and from Age 10+ the full axe-perience.

LEARNING

Students will leave as Axeperts. Alongside learning the Art of the sport, Our activities will teach camaraderie, team work, respect, sportsmanship, trust and communication,

DIVERSE

We are different from any other school visit and can offer a diverse range of activities to suit your specific requirements. WE DIVERSIFY - YOU IMMERSIFY

CREATING A **SAFE** ENVIRONMENT

Our number one priority at Wild Blades is the safety of our participants and visitors. The words Axe and throwing in one sentence can sound daunting but our rigorous and robust safety systems and processes minimise risk and maximise enjoyment.

When making a booking we will always provide you with detailed up to date risk assessments and a copy of our public liability Insurance certificate. Activity organisers are always welcome to carry out a site visit before making a booking.

By creating an enclosed environment and incorporating many safety features our venue layout and design minimises risk and maximises safety.

All of our staff are First aid trained and have completed the Wild Blades Axe Academy training programme to ensure they meet the requirements and high standards we expect of them to deliver our activities.

AN OVERVIEW OF YOUR ADVENTURE

ARRIVAL

Your Adventure begins the moment you arrive. Our Axeperts will meet and greet you and your students and direct you to the arena.

At this point we will direct students to the toilets, bag drop and changing facilities. Staff will be welcomed with a hot drink.

WELCOME AND SAFETY BRIEFING

Let's get acquainted. Our instructors will introduce themselves to the students and begin a safety brief to cover topics such as; the environment, the range, throwing technique and the importance of good behaviour during the session.

DEMONSTRATION

Our instructors will put their skills to the test and demonstrate the safe execution of throwing an axe. They might even show off with a trick shot of two.

TIME TO PUT YOUR SKILLS TO THE TEST

Now that your students are equipped with the knowledge they need to hit the bull's-eye, we will invite everyone forward to give it a go. Our instructors will watch every student complete at least one throw individually before overseeing and directing the group as one.

GAME ON

It's time to add a competitive edge to your experience. Our Instructors will set up a variety of games and challenges such as Axe darts, the three card trick and Battleships to enhance the experience. Who will be crowned a Wild Blades Champion?

THATS A WRAP

To finish your visit we will re- group together and take a moment to reflect on the achievements, stand out moments and lessons learned during your experience. This is a perfect opportunity to take a group photo to capture the moment.

DEPARTURE

Our instructors will direct you to the changing facilities if required and see that everyone leaves safely.

ADVENTURE VENUES

AND FACILITIES

WILD BLADES HAS TWO AXE-TASTIC LOCATIONS

THE PLAYGROUND
BURY ST. EDMUNDS

THE NEW CROFT
HAVERHILL

All of our venues have the following onsite facilities;

- Free car and coach parking
- Toilets with hand washing facilities
- Changing rooms and bag drop
- Spectator seating areas
- Indoor seating areas and function rooms
- Overhead projectors and screens.
- Hot and cold drinks facilities

Haverhill has an operational kitchen and bar which can provide hot meals and drinks.

A PACKAGE TAILORED TO YOU

Wild Blades is the perfect venue to celebrate the end of the school year or visit for a student enrichment day. Why not add our exciting and unique activity to your current sports programme.

Whether you are looking to visit for a morning or for a multiday activity experience, from just 10 participants to an entire school, we can create the perfect package for you.

We understand that every booking is unique; therefore our dedicated booking team are always ready to answer any questions you have and to help you plan your experience.

In order for us to give you the best price for your experience please contact us. We will create a bespoke package based on your requirements and the number of participants attending.

TEAM BUILDING EXPERIENCES

We know how important developing interpersonal skills are, so we've created a variety of lumberjack inspired team building games and challenges that will put your students to the test.

Our challenges will create the perfect opportunity for your students to work as a team, communicate, become a leader and strive to achieve success.

One of our unique timed challenges sees teams race against a clock to solve clues and complete tasks that will test them mentally and physically. Each success will earn the team a piece of our giant Viking ship. Teams that complete the entire task and beat the clock will sail to victory, fail and your ship will sink.

Our Team building experiences can be added to an axe throwing package or can be booked independently.

SPEAK WITH OUR

AXE-PERTS

We would love to discuss our activities with you. If you have any questions or you would like to make a booking with us please don't hesitate to give us a call or email.
