Performance Notes
General: <ol style="list-style-type: none">We had a great opening night! The audience loved it and laughed many times.House opened late because we had to hold for Lighting to tape down the LED lights.There was a power outage that turned the light board off during the performance. We were able to turn it back on and did not have any issues for the rest of the show.
Scenic: <ol style="list-style-type: none">Happy opening!
Lighting: <ol style="list-style-type: none">Happy opening!Please do not eat in the booth and ensure your space is kept clean while operating the board, thank you.
