OUR COMMITMENT

Apostolic Christians Together Serving (A.C.T.S.) is committed to conducting ministry with integrity, accountability, compassion, professionalism, and biblical responsibility. As ministers and representatives of Jesus Christ, we recognize the importance of maintaining ethical conduct in all areas of ministry, leadership, outreach, counseling, organizational stewardship, and public service.

INTEGRITY & ACCOUNTABILITY

Leadership within A.C.T.S. is expected to reflect humility, honesty, servant leadership, respect for others, and responsible spiritual oversight. We acknowledge that the trust of those we serve is a sacred responsibility and we are committed to living and leading with transparency, accountability, and a spirit of excellence.

SAFE MINISTRY ENVIRONMENTS

A.C.T.S. is committed to promoting safe ministry environments and responsible leadership practices. The organization supports appropriate safeguarding measures involving children, families, volunteers, vulnerable individuals, and ministry participants. Ministry workers, volunteers, and leaders may be subject to screening, accountability standards, and organizational review where appropriate.

PASTORAL CARE & CONFIDENTIALITY

Pastoral care and spiritual guidance provided through A.C.T.S. are intended to support individuals spiritually, emotionally, and biblically while operating within appropriate ethical and legal boundaries. A.C.T.S. recognizes the importance of respecting confidentiality, while also acknowledging applicable legal responsibilities involving safety, abuse reporting, or protection of vulnerable persons.

BIBLICAL STEWARDSHIP

As a ministry organization, A.C.T.S. remains committed to continued growth, leadership development, accountability, biblical stewardship, community service, and the responsible representation of Jesus Christ in both ministry and public life.

OUR GUIDING PRINCIPLE

We believe that ministry is a calling, not a position. Our purpose is to serve God and His people faithfully, with love, wisdom, and integrity—seeking to build the Kingdom of God through unity, compassion, truth, and action.

“Jesus expects persistence, not perfection.”
