UNIFORM POLICY

Introduction

Student dress must reflect the biblical standard of modesty and excellence. At school, a student's job is learning, that is the business of school. Adhering to the dress policy is an important part of our educational process. It should be noted that Leaders of Tomorrow Early Learning Academy is not placing value-judgement on clothing. There is nothing Christian or secular about our uniform, rather, the school seeks to provide an atmosphere for learning for the students.

Purpose and Philosophy

The Uniform Policy at Leaders of Tomorrow Early Learning Academy establishes attire standards for the business in which our students are engaged while at school: education. Using the policy also accomplishes important objectives that allow for personal growth and development.

- Establish a distinctive identity for our school and its students
- Establish tradition and communicate a positive message about the school
- Ensure that students can easily apply the biblical standard of modesty
- Eliminate competition in the area of dress and avoid promoting social status
- Avoid sloppiness in dress
- Avoid drawing attention to oneself based on appearance

Goals

As an educational institution, Leaders of Tomorrow Early Learning Academy can take advantage of teachable moments throughout the day. In our society, there is a tendency, even an inclination, toward lower standards of behavior that may be enhanced by choices in attire. Leaders of Tomorrow Early Learning Academy sees the opportunity to use the Uniform Policy to provide regular, teachable moments with students about an issue that matters to them: their clothes. Working with parents and guardians, our goals are the following:

- See students take pride in their appearance
- Instruct students in learning how to “dress for the occasion”
- Encourage the development of internal character rather than external appearance

Parents and the Uniform Policy

For partnership to succeed, both parents/guardians and the school. Its work together. Leaders of Tomorrow Early Learning Academy recognizes that you are the God-given authority in the lives of your children and your direction exceeds the reach of the school. When you agreed to send your child(ren) to our institution, you also agreed to abide by the policies and procedures put forth by the school. Therefore, you are the primary enforcers/administrators of the Uniform Policy. Please do not let your children attend school in violation of the policy with the idea that the school will make them comply. The school should serve only to interpret the policy to parents and students, and to offer reminders, as needed.
