New Jersey Child Care Assistance Program Overview and Application Instructions

As so many families know, child care costs can take up a lot of the monthly budget. The New Jersey Child Care Assistance Program (CCAP) can provide financial assistance to eligible lower-income families who are working, in training or in school, or a combination of these activities to pay a portion of their child care. CCAP is funded by the federal Child Care and Development Fund (CCDF) and is administered by the New Jersey Department of Human Services, Division of Family Development (DFD).

Applying for Child Care Assistance

As an applicant/co-applicant seeking child care assistance, you will be required to provide proof of income, training/school hours and family size to help determine eligibility. All required documents must be submitted to be considered for assistance.

Applicant/Co-Applicant Eligibility Requirements

- Must be a New Jersey resident;
- Must meet income requirements and not have assets that exceed \$1 million; and
- Must be working full time (30 hours or more a week), attending school full time (12 credits or more), in job training (at least 20 hours a week), or have a full-time equivalent combination of these activities to meet the requirement.

Child(ren) Eligibility Requirements

- Less than age 13, or less than age 19, if mentally or physically incapable of self-care or under protective supervision by the NJ Division of Child Protection and Permanency (DCP&P);
- Must be a U.S. citizen or qualified non-citizen; and
- Must reside with applicant/co-applicant (parent(s) or individual(s) acting as parent(s) (in loco parentis)).

Eligible Child Care Providers

- You can use your child care assistance at any licensed child care center, a registered family child care provider, approved home (in-home and family, friend or neighbor), school-based program or a summer youth camp that is approved by the state and accepts state payments.
- Eligible providers must comply with all Child Care and Development Block Grant (CCDBG) requirements including completing numerous health and safety trainings and required criminal background checks.

Completing and Submitting an Application

To get started, you must first complete, sign and submit the following application with all the required documents to your Child Care Resource and Referral (CCR&R) agency. To find your local CCR&R, visit www.ChildCareNJ.gov/CCRR or call 1-800-332-9227.

What happens next if my application is approved?

If approved, your CCR&R will send you a Parent/Applicant and Provider Agreement (PAPA) for each child for whom child care assistance is requested. You must complete this form and return to your CCR&R within ten (10) calendar days. The PAPA must be signed by both the applicant/co-applicant and child care provider and returned to your CCR&R prior to the expiration date indicated. Your CCR&R cannot initiate child care assistance payments until this agreement is signed and returned. Initial child care assistance approval is for 12 months, unless you request a shorter period of care. You will receive an Application for Redetermination from your CCR&R prior to the end of your period of eligibility.

For more about eligibility requirements, applying for child care assistance, licensing information, a search to find child care in your area, provider inspection reports and information on what makes a quality program, visit www.ChildCareNJ.gov or call the Child Care Helpline at 1-800-332-9227.

New Jersey Child Care Assistance Program Application

H. CERTIFICATION *Read carefully before signing.*

I (we) hereby certify that all of the information provided is true and correct to the best of my (our) knowledge. I (we) know that submitting false information about my (our) situation, failing to give the necessary information or causing others to hold back information is against the law and may subject me (us) to criminal and civil penalties, as well as the denial, disqualification, termination and/or repayment of child care services and child care assistance. I (we) also understand that audits or reviews may be conducted to verify any information provided in connection with this application or any child care assistance provided.

I (we) also understand that:

1. Acceptance of child care financial assistance is not for my (our) personal use or expenses. Federal and state public funds, such as this child care assistance, must and will be used as payment for costs that are directly associated with services rendered by a child care provider.
2. It is a violation of program rules to provide any false or misleading information for the purpose of obtaining financial assistance for child care services, including but not limited to, information about my (our) eligibility. For example:
 - Failing to accurately report all sources of my (our) income, such as, but not limited to, not reporting multiple sources of income, or an increase or decrease in wage/salary, child support or alimony payments, self-employment wages, unemployment benefits or any other source of income.
 - Changing or altering pay stub information or otherwise failing to accurately report the amount of my (our) income. Examples include, but are not limited to, reporting inaccurate amounts of income from self-employment, child support, alimony, income from a second job or rent from property ownership.
 - Failing to accurately report the number of household members, for example, failing to report a spouse or another parent/guardian is living in the household.
3. This information is being given in connection with federal and state public funds and will be used through computer matching programs to confirm the accuracy of my (our) statements and verify my (our) income, resources and need for child care assistance, as warranted.
4. Providing the social security numbers of the applicant/co-applicant and child(ren) is voluntary. CCR&R staff may use my (our) names and social security information with federal and state agencies and other sources deemed necessary for official examination and verification. However, certain documentation is required for all children for whom child care assistance is requested. (See Section F. of the Documentation Checklist at the end of this application for required documentation.)
5. In order to verify my (our) income and service need, a CCR&R representative may need to contact my (our) employer(s). I (we) hereby authorize my (our) employer(s) to release information regarding my (our) income, pay scale, hours and schedule of work to the CCR&R representative.
6. The state has set maximum rates for what it pays for child care assistance. These rates vary depending on several factors including the age of the child and the type of provider. This assistance may cover your entire cost for care, however, providers all charge different amounts. If your provider charges more than what the state covers, I (we) understand that I (we) are responsible for paying the difference.
7. I (we) are responsible for the copayment (copay) fee which is calculated by the CCR&R and based upon my (our) family size, annual income, hours of care needed and the age of my (our) children during the period of eligibility.
8. Should there be a change in the utilization of child care services, the CCR&R retains the right to change my (our) Parent/Applicant and Provider Agreement (PAPA) to reflect the actual hours of care needed.
9. I (we) must notify the CCR&R in person, by mail, phone, email or using the CC-198 Notification of Change Form, immediately or no later than 10 days from the occurrence, of any changes that may affect child care eligibility. This includes no longer needing care, relocation out of county or state, change of provider or type of care and/or if any income changes to exceed 85% of the State Median Income (Income Eligibility Chart available at www.ChildCareNJ.gov/Parents/CCAP).
10. The assigned CCR&R is authorized to issue full-time payment to **only one child care provider per child** for the specified period of eligibility.
