Delinquent Tuition Policy

A. Tuition payments are due on the assigned due date. If your tuition account becomes 10 days in arrears, you incur a \$50.00 late fee. In addition, you will incur a charge of \$50.00 for every check or payment returned due to insufficient funds or cancellation. Leaders of Tomorrow will send a statement or notice to the responsible party. (Important: Reckoning begins on the selected assigned due date.)

B. If your tuition account becomes thirty (30) days in arrears, you (the parent or responsible party) must contact the Business Office to explain the delinquency and submit in writing your plan to repay the delinquent tuition amount. If you (the parent or responsible party) do not contact the Business Office and setup a payment plan approved by the Business Office, parent and student will be withdrawn, including access to report cards.

C. If your tuition account becomes 60 days in arrears or older and the conditions of Article B have not been met, your student(s) will be removed from the school's enrollment.

D. Students will not be permitted to re-enroll for the following school year if there is an outstanding balance for tuition or any fees.

E. Any enrolled student whose outstanding balance has not been paid in full by May 31st will forfeit his or her enrollment in the event that the space is needed by a new enrolling student.

F. You (parent or responsible party) must pay any and all past due tuition by mid-August, before the Back to School Night. If you do not, your child(ren) will be removed from enrollment.

G. With the exception of health records, no other school records, transcripts, will be released to the family or any institution until all tuition, fees, and charges have been paid in full.

PLEASE NOTE: If your tuition account becomes 60 days in arrears and the conditions of your tuition agreement have not been met, your student(s) will be removed from the school's enrollment and you will be held responsible for any court/legal fees associated with the collection of the outstanding balance on your account. Maintenance and registration fees are due at the beginning of the school year and are not covered by grants or scholarships.

I/We elect to pay the total amount due adhering to the following payment schedule:

☐ Option 1: Annual Tuition and Maintenance Fees Paid in Full

If full payment is made in full, a 5% discount will be applied
