WELCOME LETTER

Dear Parents and Guardians,

Thank you for your interest in the Financial Aid and Scholarship Program at Leaders of Tomorrow Christian Academy.

Our mission is to provide a Christ-centered education that prepares students academically, spiritually, and socially for a lifetime of service and leadership. We recognize that private Christian education represents a significant financial commitment for many families. Through scholarship assistance and financial aid opportunities, we strive to make Christian education accessible to families who share our values and mission.

Scholarship funding is limited and awarded based upon demonstrated financial need, available funding, family participation, and commitment to our school's mission.

We look forward to partnering with your family in raising the next generation of Christian leaders.

In Christ,

Dr. Jarivette Andujar

Principal
