

## **2025 SHEA-ROSE FARM SUMMER RIDING PROGRAMS**

During the summer months, the regular lesson schedule is suspended due to hot weather and vacation schedules. There will be limited evening classes offered for adults and interested students at our regular rates [\$100 Private; \$85 Semi-Private (2 Riders); \$65 Group (3-5 Riders)]. **We accept new riders with no previous riding experience in the evening lessons.**

**Farm Cook Ride Week:** We will be offering farm camping stay, mountain trail riding sessions to ride at Pisgah Forest and DuPont Forest. Camping and riding in the cooler mountain areas of Brevard. Our camps are limited to five (5) riders and riders should be at least an intermediate level. For farm stay camps, Riders should arrive the night before the week begins or the morning the camp starts.

For the camps, I will prepare the meals. Mostly organic, delicious, farm to table and as a dietician, I can prepare foods to accommodate allergies. In addition to riding, campers will learn farming skills as well as cooking and eating food we harvest and prepare. We will be making sourdough bread and rolls, canning and drying produce. We will teach important life skills!

Riders have the option to ride to our local brewery (on Friday) before being picked up for a soda and a meal (rider to bring money for this) after weeklong camp weeks!

There are lots of great trails available in the local parks that we can trailer too quickly! And we have farm-based trails as well. We often include swimming/wading in the local park rivers to cool off in the afternoons and sometimes go tubing (rider to bring money for these) or take the horses swimming.

Fee is \$1,200. To secure your place, send a \$200 non-refundable deposit with the attached registration form. Payment can be made with Venmo or a check.

**Day Camps-**There will be sessions for local riders, which will mostly be riding on the farm/farm trails as well as riding in the parks for more advanced riders. Our local day camp is 8-noon [Sessions 1 (for adults), 2, 3, 5, 6]. No food or camping, just lots of riding for \$650. Riders should bring snacks and water bottles.
