

We are proud to announce that the Katy 1895 FC will be training at Church of the Holy Apostles on 1225 West Grand Parkway South in Katy. Katy 1895 FC is a new local club that will be competing in the upcoming NPSL season. The club is currently in the process of converting the fields behind the church into training grounds.

Church of the Holy Apostles is a multi-cultured biblically based sacramental church that wants to invite our community to join us living life in a relationship with Christ.

In regards to the news, head coach Jimmy Krueger said “We are ecstatic to have a local church open their grounds to us as we try to grow a club built around the Katy community. It is a testament to their mission on bringing transformation to the local area of Katy.”
