When a student enrolls at New Horizon School for the Performing Arts all parents complete a PHLOTE. This identifies EL (English Language Learner) students.

The AZELLA tests are administered to those EL students, who qualify, by qualified test givers.

The AZELLA is administered at various times throughout the year as per state requirements.

The Teacher of Record will create a modified class/homework packet based on school curriculum.

The Teacher of Record will meet daily on “Google Meet” or ZOOM as small group or individually.

Evidence of Implementation: PHLOTE, AZELLA test results, EL Student list, Completed daily/homework packets and Digital reporting
