POLICY  
**ON-SITE SUPPORT CENTER**  
**August 10, 2020**

To comply with Governor Ducey's Executive 2020-51 New Horizon School for the Performing Arts will make available On-site support between 8 AM and noon, Monday- Friday until we return back to school in person, which is August 17, 2020.

The Executive Order is intended to serve children of first responders, students with disabilities, students lacking adequate technology at home to participate in distance learning and other students needing a safe place to participate in remote learning during school hours.

Students must follow health and safety protocols, such as face coverings, provide their own transportation, and bring a filled water bottle.

Please consider the following:

- Students will be expected to participate in online learning while on campus.
- To complete online learning students will use New Horizon School devices. All other devices will not be permitted. There will be limited computers available.
- Students will be expected to meet New Horizon Schools behavioral expectations.
- Teachers will not be providing live instruction to students. However, a staff member will supervise students taking part in online learning.
- Students are required to be in uniform and follow dress code policies.
- Students will be expected to wear face coverings while on campus.
- The student will be in a specific on-site study area.
- Space is limited to follow safe physical distancing.

On-site services will also be provided for Special Ed and EL students. They will continue to work with Special Ed instructor and the EL Coordinator.

Failure to comply

- Failure to follow behavioral guidelines could result in a student losing the option to attend on-site support center.
- Failure for the parent to adhere to the drop off time of 8:00 AM (no earlier) and pick up time of 12:00 noon could result in losing the option to attend the on-site support center.
